

Remarks

Status of Claims:

Claims 10-13 , 15, and 22 stand rejected. Claims 14 and 16 are objected to.

This response amends claims 10, 15, and 16, cancels claims 14 and 22-26, and adds claims 27-31.

Claims 10-13, 16, and 27-31 remain pending.

The Examiner is thanked for the indication of allowable subject matter.

Claim 10 is amended to recite the limitations of claim 14. Claim 15 is amended to conform to amended claim 10, from which claim 15 depends. Claim 16 is amended to correct the claim as requested by the Examiner. Dependent claims 27-31 are added and are supported by the specification and drawings. No new matter is added.

The amendments made in this response do not indicate agreement with the Examiner's rejections, and are made without prejudice to applicants filing one or more continuation applications with claims as originally filed or previously presented.

Conclusion

Based on the foregoing, all pending claims are in a condition for allowance. Accordingly, Applicant respectfully requests reconsideration and allowance.

Respectfully submitted,

/Gerry Gressel/
